3. IMPORTANT INFORMATION

When required, Multinet Gas will assess claims relating to a network fault in accordance with the *Gas Distribution System Code v14* issued by the Essential Services Commission of Victoria (ESC).

A copy of the code is available on request; or can be viewed on the Essential Services Commission's website: www.esc.vic.gov.au.

It is your responsibility to arrange repairs or obtain repair quotes. Any costs incurred will be your responsibility until a full assessment of your claim has occurred.

Multinet Gas may be unable to accept responsibility for claims that are a result of causes outside of its control.

4. SUPPORTING EVIDENCE

Sufficient evidence must be submitted when requesting compensation believed to be due to a Multinet Gas network supply fault.

If you are claiming plumber's call-out fees

Multinet Gas requires an invoice or report from a Registered Plumber stating the incident date and the work completed during the call-out.

If you are claiming appliance damage

Multinet Gas requires a repair assessment from a Registered Repairer or manufacturer. This documentation **must** state the cause and extent of damage to your appliance.

Note: Evidence must be submitted to progress your claim. Evidence is to be submitted on plumber's or repairer's company letterhead. Your claim will not be processed until sufficient evidence has been provided.
