

Warburton Gas – Latest News and Timelines

Latest news

July 2015

- Gas construction works are planned to commence late July 2015.
- There will be several construction crews operating at different locations within Warburton.
- During construction, residents can expect some disruption to traffic and restricted access to some streets. Prior notice will be given to residents where affected.
- Future community information sessions will be held in late 2015 and again in early 2016, and will provide residents with more information about project timing and the gas connection process. Gas retailers, gas fitters and gas appliance manufacturers will also be invited to these sessions.
- It is anticipated that natural gas will be available to residents in stages from early 2016 (further updates will be available in due course)

Timelines

The proposed timetable is as follows:

Works required *	Proposed timeframes*
Construction of gas mains	July 2015 to late 2016
Information session to residents about gas connections	Ongoing
Gas availability to residents to arrange gas connections.	From early 2016 onwards

****please note this is subject to change***
